

April 19, 1979

LB 42, 546, 581

so I tell you now and offer the reasons for it. If it isn't, I'll pull it. But I am pulling them now until final, okay?

SPEAKER MARVEL: The motion is the adoption of the Cullan amendment as read. All those in favor of the adoption vote aye, opposed vote no. Have you all voted? Record.

CLERK: 26 ayes, no nays on adoption of the amendment, Mr. President.

SPEAKER MARVEL: Motion is carried. The amendment is adopted. Senator Wesely, will you move the bill please.

SENATOR WESELY: I move that LB 42 be passed to E & R for Engrossment.

SPEAKER MARVEL: All in favor of that motion say aye, opposed no. Motion carried. The bill is readvanced to E & R for Engrossment. LB 285 has some amendments on. The bill will be taken, if you want to make a notation on this, the bill will be taken up on Tuesday. We pass over 216, awaiting amendments and we go to LB 546. While the Legislature is reasonably calm I would like to make an announcement in case we lose some of you before we are through. We have three key issues up tomorrow. Tomorrow is Friday. Taking this into account, plus the issues and the issues are 222 which has to do with coroners and 138 has to do with medicaid payments and 390 has to do with interest and so that we at least can give some fair treatment to these bills as well as pass the deficiency bill which is 542. 542 on Final Reading will take about 35 minutes. So, for your convenience, it would be helpful if we could at least have a quorum here at 8:30 so that we could read 542 and then be ready for the rest of this shortly after 9:00. Okay. We have got about three more bills and then we will adjourn. 546, Public Works. Tried to pick out bills that don't have too much on them so that we can get them moved.

CLERK: I have nothing on the bill, Mr. President.

SENATOR WESELY: Mr. Speaker, I move that LB 546 be advanced to E & R for Engrossment.

SPEAKER MARVEL: All in favor of that motion say aye, opposed no. Motion carried, bill is advanced. Next bill we will take up is 581.

CLERK: I have nothing on that bill, Mr. President.
